

MAKE YOUR OWN SCHOLARSHIP

Applicant must be the dependent of a current Stewart's employee, who has worked for the company a minimum of 3 years and is an ESOP participant. Since 1999, the program has provided over 1400 scholarships totaling over \$5.9 million. Last year, \$410,000 was awarded to 80 students in the Stewart's family. In October of each year, we send a letter to each shop with important deadlines. Applications are available on the website from December until the application deadline in February.

For all new partners, passing a pre-employment drug test is necessary prior to starting. If you have a break in service greater than 90 days, you will be required to take a drug test prior to returning. All Plant and Ridge partners will participate in random, post- accident, and reasonable suspicion drug and alcohol testing as well. Use or possession of marijuana or alcohol on company property will not be tolerated. **Holiday pay:** Designated holidays are New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving and Christmas. Holiday hours available are shown as "holiday time" on your pay stub. If you work a Holiday, you will be paid 1 1/2 times your normal pay rate. You must work your scheduled shift before, on, and after the holiday to be eligible for holiday pay. **Shop Discount Program:** Full time partners receive a 10% discount on most non-sale items at your designated discount shop: Marion Ave, West Ave, Greenfield, Bluebird Road or Bottom of the Hill. This discount is provided for partners only and does not apply to gas, lottery, gift certificates or promotional items. **Complimentary Snacks:** Items in break rooms are for consumption while partners are working and may not be taken home. **Shift Differentials:** \$1.50/hr is added to your base pay if you start work between 12pm and 4am. Another \$1/hr is paid for shifts on Sunday. **Lunch/Coffee Breaks:** Partners who work a shift of 6 hours or more need to punch out for a half-hour meal break. Two paid 10-min breaks are given in an 8-hour shift. **Smoking:** NYS law allows for smoking in outside areas only. At the Plant, there are 4 designated smoking shelters outside the main exits of Building #1 and Building #2. At the Ridge, there is a smoking shelter located outside the 2nd entrance. Claim for Benefits: Claims for benefits must be filed on forms available in the Personnel Dept. In the event a claim for benefits is denied, a written notice will be given to the claimant within 90 days. The claimant may request a review of the decision within 60 days thereafter. **Operation of Plans:** This booklet is intended only as a brief description of the Plans. The actual Plan documents rule in all cases. Stewart's Board of Directors may terminate or modify any partner benefit plan, described in this booklet, by a formally approved resolution at a regularly constituted Board meeting held in accordance with the established process of the Board.

STATEMENT OF ERISA RIGHTS

As a participant in each of our Plans, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to: (1) Examine, without charge, at the plan administrator's office and at other specified locations, all plan documents, including insurance contracts, and copies of all documents filed by the plan with the U.S. Department of Labor, such as detailed annual reports and plan descriptions. (2) Obtain copies of all plan documents and other plan information upon written request to the plan administrator. The administrator may make a reasonable charge for the copies. (3) Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report. In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer or any other person, may discharge or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA. If your claim for a benefit is denied in whole or in part you must receive a written explanation of the reason for the denial. You have the right to have the plan administrator review and reconsider your claim. Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request materials from the plan administrator and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$100 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court. If it should happen that plan fiduciaries misuse the plan's money, or you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees for example, if it finds your claim is frivolous. If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, you should contact the nearest Area Office of the U.S. Labor-Management Services Administration, Department of Labor.

PERSONNEL MANUAL

We are Closer to You

with our customers, shops, and partners

Stewart's is an employee and family owned company operating over **350** convenience stores in upstate New York and Vermont, along with a dairy/ice cream plant, a distribution center and offices in Saratoga Springs, NY.

We are a stable, debt-free, and successful company in a growing industry because our approximately 40% employee ownership, strong market position, and owning most of our real estate, gives us the control to take a long-term approach to our business. Having our own Plant and Distribution Center integrated with our shops provides support and allows them to be more effective and creates a more rational environment where we don't have to pretend or avoid issues, putting us in a position to do what we want to versus what we have to.

With over a billion and a half dollars in annual sales and approximately 5,000 partners, we are viewed as a large company but we are really 400 small groups in shops or departments that can function very effectively. This allows us to balance the market sensitivity and efficiency of a small operation with the support of a larger organization. In this Small Is Nicer environment (SIN), everybody knows who is effective and what is going on. We use awareness rather than following a set of rules so we can be fair and react to various situations, which creates a more enjoyable atmosphere for both partners and customers. It is what makes us so different from companies that are big, structured, and impersonal.

Our personnel manual is a single piece of paper, simply written so you can understand how to interact and grow most efficiently with Stewart's. "We are here for our customers" who make our business possible. That is why it is so important that we are courteous to our customers and our fellow partners. The power of being courteous creates trust while building a pleasant and fun atmosphere. We are able to share with our customers Stewart's quality, service, and value while giving back to our communities. The customers in return do a lot to help us run the business and make our shop a true part of the community.

As a partner, you should understand "why" things are to be done and should not just be doing them because someone said so. We use the SHARE acronym below to review both yours and your supervisor's performance.

Sell is the ability to influence people positively in many ways. **H**onest is about being open and candid, so people trust both your intent and ability. **A**ctivity is the physical and mental energy to be effective. **R**easons are your ability to understand, accept, and teach logical solutions versus being confined by a lot of rules. **E**ternals are understanding the impact our personal issues, family, and friends have on our job and fellow partners.

ESOP

This plan was primarily designed to share real ownership in Stewart's with our partners. Unlike a 401K, it's a 100% company paid benefit that provides financial security for you and your family at the time of your retirement. Stewart's started the Plan in 1974. In 2001, we converted to an Employee Stock Ownership Plan. The Plan value now is approximately \$500 million. As your account balance grows untaxed, your ownership in ESOP increases. This is because the ESOP Trust, where the funds are invested, owns 40% of Stewart's. It is our desire that, in the future, all partners should participate in the ownership of Stewart's.

HEALTH INSURANCE

Stewart's recognizes the importance of health care for our partners and their families, offering a self-insured plan gives us the control to provide benefits that best fits their needs. The partner's portion of the health insurance is based on the total healthcare dollars spent each year so it is important for all of us to control our healthcare spending so that we can keep our health deductions down and our ESOP dollars growing.

The health plan covers inpatient and outpatient hospital care, surgery, maternity, emergency care, mental health care, home health care, physical therapy, treatment of alcohol/substance abuse, prescriptions, eye exams, frames and lenses or contacts, as well as doctor's office visits. Plan specifics like co-pays, limitations, and exclusions are detailed in the benefit packet, which you will receive upon eligibility.

Annual Deductible: \$400/year for individual, \$800/year for family, after deductible is met, you begin paying copayments.
Cost of program is shared: The partner's portion is approx 40% of the total cost of coverage and is taken as a pre-tax deduction.
Dependents may also have coverage: spouse; children, adopted children or stepchildren who are under age 26, or are not able to support themselves due to mental illness or disability.

DELTA DENTAL INSURANCE

Preventive and General services are 80% to 100% covered (includes periodontics) and major services are 50% covered (includes orthodontics). The partner's cost of dental insurance is a pre-tax deduction. Plan specifics, limitations, and exclusions are provided in the benefits packet upon eligibility.

ELIGIBILITY FOR HEALTH AND DENTAL BENEFITS

*All full time partners (30+hrs/wk) become eligible for health and dental insurance on the first Monday following sixty (60) days of continuous active service, and then again at the beginning of each subsequent Plan Year.

- *Open enrollment occurs each December.
- *Per IRS guidelines, election remains in effect for the entire Plan Year and is irrevocable unless it is due to the result of a change in family status (e.g., marriage, divorce, death of spouse or child, birth or adoption of child, or addition/ termination of qualified coverage).

MEDICAL REIMBURSEMENT ACCOUNT

Each December, full time partners can elect a medical spending account for the year that can be used to pay for your deductible and other qualified medical/prescription/dental/vision expenses not covered by insurance. You will be provided a Benefit Card to pay for these expenses. You can elect any dollar amount to be deducted on a weekly, pretax basis, and put into an account. (The maximum election is \$2750/year or \$52.89/week and you can roll-over up to \$550 (Max) to the next plan year if you do not use all your dollars.) Health insurance participation is not mandatory to enroll in this program.

TELEMEDICINE

When you elect the Stewart's Health Plan, you and your covered dependents are automatically enrolled in a Telemedicine benefit through UCM Digital Health. All full-time and part-time partners, who are not enrolled in the health plan, can elect this benefit for a \$2 post-tax weekly deduction, whether you elect individual or family coverage. There is no cost to consult with a physician and no limit on how many times you can use this service. Be sure to download the app by searching "Sam by UCM" in the App Store or Google Play. You may also request a consult by dialing 844-484-7362. This service is available 24/7 and can be used for primary care, urgent care and mental health counseling.

COBRA

- Identical benefits for health & dental may continue upon termination of employment.**
- *You pay 100% of total cost, plus a 2% administrative fee.
- *Coverage may continue for 18 months if terminated or hours are reduced, which would result in a loss of coverage.
- *The 18 months may be extended to 29 months if you are determined to be eligible for social security disability benefits.
- *Coverage may continue for 36 months if you lose your dependent status or you get divorced.
- *A notice will be sent to your home explaining your rights for COBRA upon termination or when your hours are reduced.

PAYCHECK INFORMATION

Pay Period runs Monday thru Sunday. To ensure you are paid for all the time you work, please inform your Supervisor of any changes to your schedule so you are paid for all the time you work. Overtime is paid at 1.5 times regular rate of pay for hours worked over 40. We do not offer comp time for overtime.

Incentive: Earned weekly for exceeding department standards.
Partner Portal: To view your paycheck online, change personal info, etc., please call Personnel at ext. 3200 to receive login info.

BENEFIT TIME

This program allows all partners to earn paid time off that can be used for sick time, vacation time, safe leave, or personal time. During the first year of employment, all partners will accrue 1 hour of paid time off for every 30 hours worked, up to a maximum of 56 hours. Partners who work over 25 hours/week will begin accruing at a higher rate on year two of employment. The maximum amount of Benefit Time that a partner can accrue is 320 hours, which can be used in 1-hour increments. Benefit Time is revocable under the following circumstances: Involuntarily termination due to dishonesty, theft, or policy violations or voluntarily termination without working out a proper notice.

BEREAVEMENT LEAVE

For ESOP participants, we pay you up to 3 days for any missed work time due to the passing of an immediate family member: parents, grandparents, siblings, spouse, children, mother-in-law or father-in-law.

YMCA MEMBERSHIP/PROGRAMS

Stewart's will pay 50% of any current ESOP plan participant's YMCA bills (excluding overnight camp and court fees). This benefit is for our partners, spouses and dependent children. Check request forms for reimbursement are available from Personnel Department, Partner Page on Website. The 50% paid by the company will be added to your next paycheck for tax purposes. Daycare payments count toward the \$5,000/\$2,500 government max. The total will be reported on your W-2.

LAKE PLACID CONDO

All partners in ESOP, after 1 year of service, will be eligible to use the condo for 2 nights per calendar year. Reservations are taken 6 wks in advance for Sunday through Thursday. A lottery drawing is held on the 15th of each month for Friday through Saturday (for the following month) and school vacation weeks. For reservations, call Renee at ext 4130. While the company does not charge you for the condo, the government requires us to add \$100/night in the next available paycheck (the value of the stay) into your wages for tax purposes. This results in you paying about \$30 tax/night for the condo.

DEATH BENEFIT ONLY PLAN

We provide this plan to our full time partners and their families for peace of mind in the event something unfortunate should happen while employed at Stewart's. There is no partner cost for this plan. You become eligible for this plan by working at least 1560 hours in two consecutive years (30 hrs/wk). The benefit is paid in a lump sum and taxable to your beneficiary. Stewart's will withhold a flat percentage for both Federal and State taxes. You will need to fill out a beneficiary form and answer some medical questions. *The benefit amount is determined by the years of full time service immediately preceding the date of death. After two years of service: \$25,000, 5 years: \$35,000 and after 10 years: \$50,000.

PARTNER MATCHING GIFT

Stewart's Shops contributes 5% of our annual profits to local charitable organizations in our market area. We will contribute \$3 million annually with two related family foundations each contributing an equal amount. We will match individual Partner donations to approved non-profit organizations, we cannot match pre-collected funds. We encourage our Partners commitment to philanthropy and tend to be more generous with donations to organizations in which they are involved. Call Donations @ ext. 2190 with questions.
